2017 NATIONAL CHILD MALTREATMENT STATISTICS:

The national rounded number of children who received a child protective services investigation response or alternative response increased 10.0 percent from 2013 (3,184,000) to 2017 (3,501,000).

The number and rate of victims have fluctuated during the past 5 years. Comparing the national rounded number of victims from 2013 (656,000) to the national rounded number of victims in 2017 (674,000) shows an increase of 2.7 percent.

The 2017 data show three-quarters (74.9%) of victims are neglected, 18.3 percent are physically abused, and 8.6 percent are sexually abused. These victims may suffer a single maltreatment type or a combination of two or more maltreatment types.

For 2017, an estimated 1,720 children died of abuse and neglect at a rate of 2.32 per 100,000 children in the national population.

This report was prepared by the Children’s Bureau (Administration on Children, Youth and Families, Administration for Children and Families) of the U.S. Department of Health and Human Services. To see the full report, click the link below.

To learn more about Stewards for Children go to http://www.lampioncenter.com

Why Stewards of Children?
- You’ll learn the Five Steps to Protecting our children, and how they can be applied to keep kids safe.
- You’ll learn how a few simple actions can have far-reaching positive effects.
- You’ll leave with the understanding that child sexual abuse can be prevented, it can be stopped and it can be overcome.

Stewards of Children is a solution:
Child sexual abuse crosses all socio-economic boundaries, cultures, races and religions. The great news is that by learning how to prevent, respond and work together ... we can make our communities safer places for our children.

**CONTACT LOGS** are due into the CASA office at the end of every month. It is critical to our funding that these hours be regularly recorded in Optima, so they can be submitted to State CASA. **Please be sure that your hours and logs are current.** We want to be sure you, and the agency, get credit for your time investment. If you have questions, contact your Coordinator.

**REMEMBER:** RECORD ANY COMMUNITY EDUCATION TRAINING HOURS IN OPTMA UNDER THE TRAINING TAB. OUR MONTHLY CASA SPONSORED IN-SERVICE HOURS ARE RECORDED FOR YOU ...BE SURE TO SIGN-IN AT EACH EVENT.

All CASA staff and volunteers are required to give their CASA ID badge number when requesting information, in connection with their case, from **IRELAND HOME BASED SERVICES**. The number is located on the back of your ID in the upper right hand corner. Ireland is provided a list of active volunteers & ID badge numbers.

Information will be released to CASA as long as a court order has been sent to **ARK CRISIS NURSERY** and the volunteer identifies him/herself by their CASA ID Badge Number (located on the back of the ID Badge) when they call or visit. Ark Crisis Nursery is provided a list of active volunteers & ID badge numbers.

**What are “OUT OF COURT” contacts?**

“OUT OF COURT” CONTACTS means any contact you may have outside of the courtroom. This is most typically a visit or a phone call, if your child is old enough to talk on the phone, but could be a card or email if your child is age appropriate. This is not referring to the amount of time spent in completing a visit ...only the actual NUMBER of contacts made outside the courtroom for a given month for EACH child.

An Office **EMERGENCY CONTACT PLAN** is in place to inform you in the event of a cancellation due to inclement weather or emergency. Please keep the CASA office informed and updated if your emergency contact information changes.

**REMEMBER!** CASA VOLUNTEERS SHOULD NOT BE HAVING EX PARTE COMMUNICATION WITH THE JUDGES OR MAGISTRATES ABOUT SPECIFIC CASES OR INSTANCES.
